comply with the applicable requirements of the European harmonized technical standard:

**EN 12467:2012 Fibre-cement flat sheets – Product specification and test methods**

The ITC has conducted the assessment of the test results according to the requirements of harmonized standard EN 12467:2012. As the meeting the requirements of the harmonized standard is a presumption of conformity with the requirements of the Regulation (EU) No. 305/2011 of the European Parliament and of the Council (CPR), the product conforms from viewpoint of above indicated characteristics to the requirements of the CPR laying down harmonized conditions for the marketing of construction products.

*This Certificate is issued under following conditions:*

- 1. It applies only to the above referenced model of the construction product.*
- 2. It does not imply that the ITC has performed any surveillance or control of its manufacture.*
- 3. The manufacturer is obligated to implement and maintain a Factory production control system assuring that all construction products of the respective models conform to the type approved by this Certificate.*
- 4. After fulfilling of the EU legislation requirements and Declaration of Performance issuing, the certificate holder shall affix to each product of the approved type the CE marking according to an example (the information as specified in Annex ZA of the harmonized standard shall be appended to it).*
